

SunButter Surprise Crispy Treats

[Winona Pure Oil SunButter Spray](#)

5-6 Tablespoons butter, butter alternative or Winona Pure [Popcorn Butter Spray](#)

6 Cups mini marshmallows (can use [Dandees](#))

5-6 Teaspoons [SunButter](#) of your choice (I used [Natural](#))

3 Cups Enjoy Life Foods [Double Chocolate Crunch Granola](#)

Spray a casserole dish with the spray oil and set aside.

In a large pot over medium-low heat, add the butter (or butter, spray alternatives) and mini marshmallows. Stir frequently until melted to prevent burning and sticking. Remove from the heat and add the [SunButter](#). Mix in the [Double Chocolate Crunch Granola](#) and mix well.

Using a plastic spatula, pour the mixture into the prepared casserole dish. Cool completely before slicing (or, eat them directly out of the pot using care as not to burn yourself in the process).

Serving sizes vary.
