[Surf Sweets Sour Worms](#)

[Glutino Hazelnut Wafer Bites](#) (or your wafer of choice)

[Enjoy Life Foods Chocolate Chips](#)

On a cutting board, take the rounded tip of a Sour Worm and cut it in half, then cut the half in half (see short video [HERE](#) for visual instructions). Gently push apart but making sure there is a base intact.

Place a Wafer Bite on the board. Melt the Enjoy Life Foods chocolate. Dip the “base” end of the gummy worm flower into the melted chocolate and place onto the Wafer Bite. Choose an inner portion of the worm and cut it into a smaller piece (to be used for the flower center). Place into the center of the sliced (rounded) worm. Let cool completely to ensure the flower is attached.

Serving sizes will vary.
