Your choice of [Enjoy Life Foods](#) product

Stickers of your choice

1. Wash and dry the candle holders
2. Fill 3/4 of the candle area with your favorite Enjoy Life Foods product
3. Place a sticker over the top, making sure it seals on the inner edges of the indented area (if you extend it beyond that, the sticker will be visible when you flip it over).
4. Optional- seal the sticker area with a glass paint to ensure the sticker does not wear away and open (or) leave it with just the sticker for a snack later on
